PRINCIPAL'S MESSAGE

The publication of this issue of the "Lawton Lite" represents another important achievement in the history of Lawton School.

A yearbook is a book of memories. In years to come, when you open this book, you will return, once more, to the days you spent at Lawton; and you will live again, in memory, with your classmates of 1970. As you turn the pages, you will recall the activities of the year -- the excitement of school functions, games and lits; and you will remember your friends.

Over the years, the students of Lawton have built a proud and enviable record for themselves and their community, and have made Lawton an outstanding school. I am pleased that you have maintained this tradition this year, through your fine school spirit and through your achievements in academic work and school sports.

During the time you have spent at Lawton, the staff have tried to provide you with the best education possible, and it is our hope that, when you leave our school, you will have attained the wisdom, citizenship, and sound values which are so necessary for a happy and rewarding life.

My congratulations to the editor and the yearbook staff for their splendid effort in producing this record of our activities at Lawton.

To the Grade Nines, who will be moving forward to another step in their education, may your aspirations and ambitions be realized. The staff and I have enjoyed working with you and we will be following your future progress with interest, and I hope, with pride.

To all the students and parents of Lawton, I extend my best wishes for a future filled with happiness and success.

PRESIDENT'S MESSAGE

Greetings,

On behalf of the Lawton Students Union Council, I wish to express my thanks and appreciation to all the Lawton Junior High students and teachers for the excellent co-operation they have given us this year in making our Student Union Organization a successful one.

I am very glad that I have had this opportunity of serving on the Student Council as president. Thank you boys and girls.

Lastly, the Student Council and I, thank Mrs. Hyduk who acted as student advisor for us, and Mr. Nekolaichuk, our principal, who gave us complete co-operation in all our undertakings.

GOOD LUCK

President - Wayne Bayrack

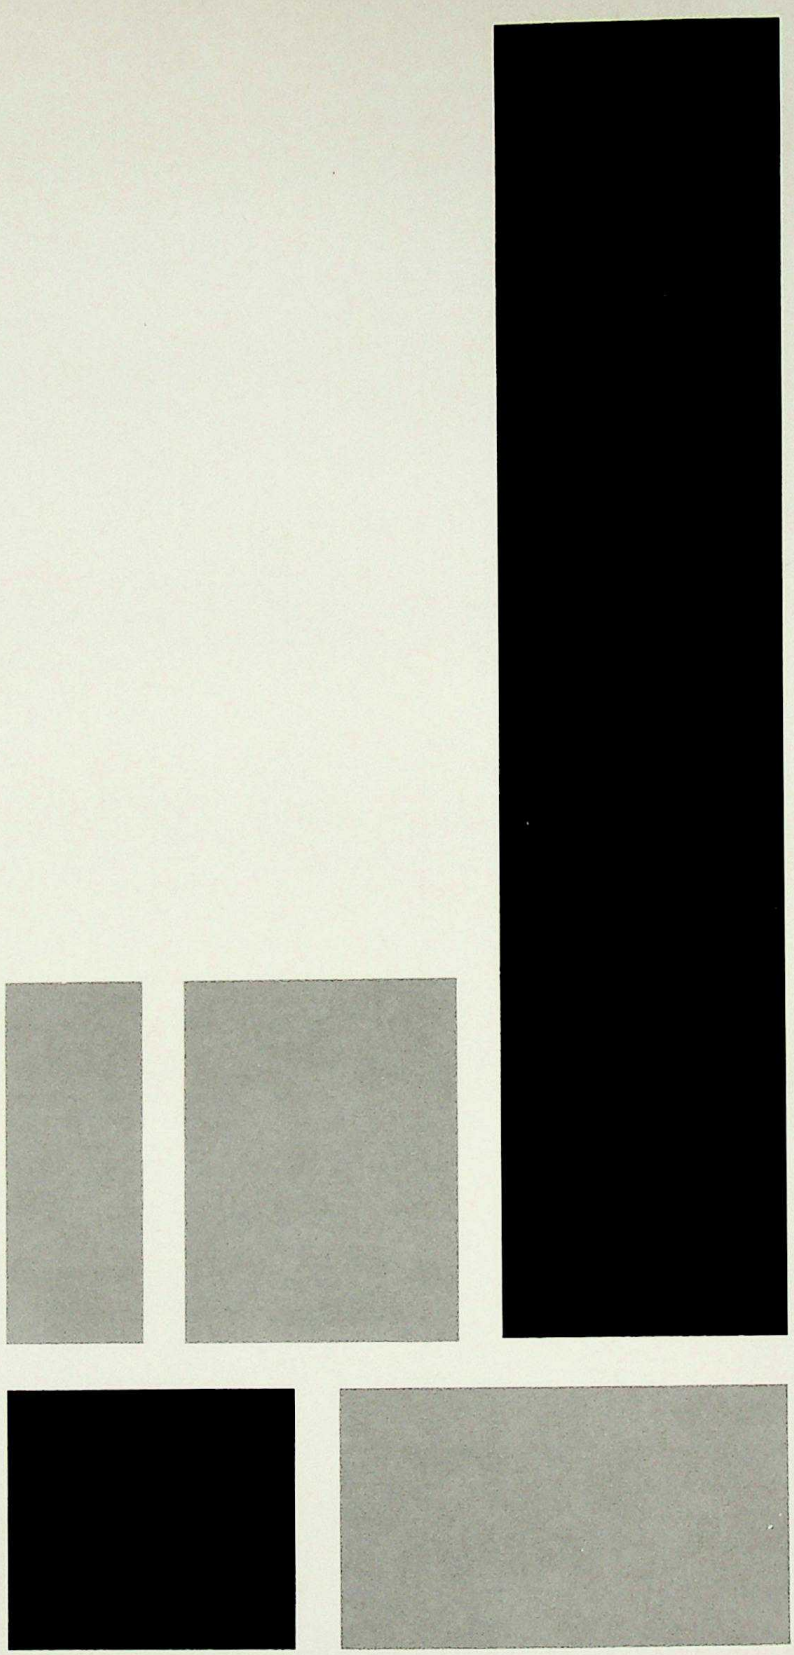
EDITOR'S MESSAGE

We have enjoyed every moment we have spent in making this yearbook what it is. It may have some errors, omissions and some pretty silly things. Please overlook these and forgive us, because we are only beginners.

I personally thank all the yearbook staff, especially Bonnie Oxamitny and Marvin Hackman who devoted as much time as I have to the Lawton Lite. Special thanks to Mr. Nekolaichuk, our principal, who made it possible for us to have this book. Every time you open it, I hope it will bring back many pleasant memories of the 1969-70 term at Lawton Junior High School.

I am wishing you all the best in years to come.

EDITOR
Christina Jolin

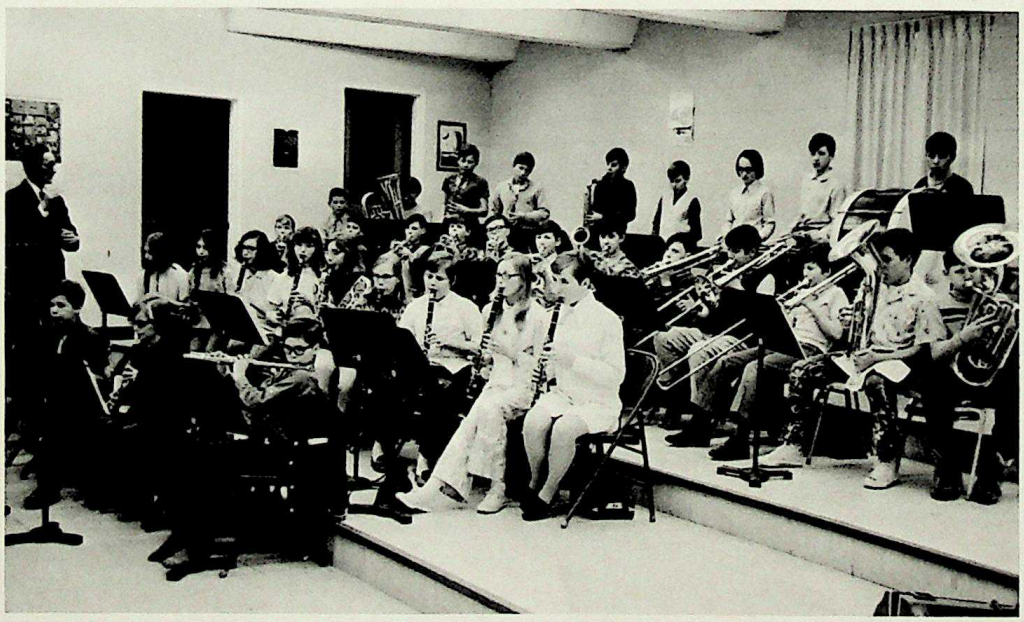


ACTIVITIES

SCHOOL ORCHESTRA

The school orchestra consists of forty-five grade seven and eight players. Two regular rehearsals per week are scheduled for the players at lunch and after school hours. The orchestra performs regularly at school and public concerts.

SCHOOL BAND



The school band has about forty grade seven and eight players. Like the orchestra, the band meets twice a week and takes an active part in school and public concerts.

Mr. Philip Soo, the music instructor, organizes and directs both of these instrumental groups.

SCIENCE CLUB

The Science Club meets every Monday with the following teacher advisors: Mr. Van Oerle, Mr. Ewert, Mr. Nichols, and Mr. Duff. The president is Douglas Haberstock. This activity is very popular and is enjoyed by all participants.

CHESS AND CHECKER CLUB

This club consists of ten boys and two girls who are all very promising players of both games. This club is run by Mr. F. Horyn who hopes that the club will produce strong contenders of chess and checkers in the future.

TYPING CLUB

The typing club meets with Mr. Brown to provide help for students who like typing.

HOME ECONOMICS CLUB

This club meets any night of the week. It is for girls who would like to do extra work on projects they start in Home Economics classes. The teacher advisor is Mrs. O. Horne.

THE FRENCH CLUB

Two clubs, Grade VII with Patsy Snell and Grade VIII with Shawn Fedun as presidents, are very successful activities under the capable guidance of Mrs. L. Yackulic.

THE LAWTON LITE SCHOOL PAPER

This is a combined effort of the two Grade IX Language Arts elective classes, primarily. Mr. L. Liska is the student advisor of the school paper.

LAWTON JUNIOR HIGH STUDENTS UNION

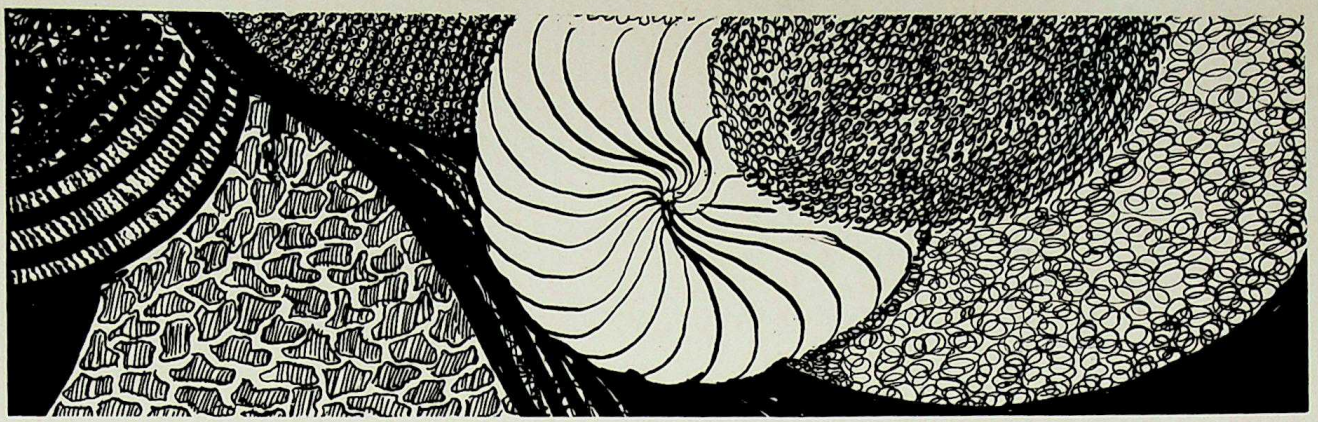
The Lawton Junior High School Students Union is very active and has been for many years. Students participate and co-operate enthusiastically and willingly in all activities. This year they are as follows:

September	Election of the Student Council
October	Student Assembly. Hallowe'en Hop
November	Student Lit, Films and other activities
December	Christmas Program consisting of three parts 1) Christmas program 2) Food served free of charge 3) Dance
January	Talent Lit
February	Valentine Hop
March	Spring Concert, Education Week Activities
April	Student Lit
May	Spring Hop
June	Grade IX Awards Day Grade VII and VIII Picnic. Food is free of charge.

LIBRARY CLUB

The Lawton Junior High Library Club was formed in January, 1970. An executive consisting of Debbie Sherbonowich, president, Monica Pryzbilla, vice-president, Darlene Mandryk, treasurer, and Susan Dedeluk, secretary, were elected. The club members choose literary projects. Thus last fall we visited elementary schools during Book Week and held book talks.

Our entertainment committee under Diane Heintz chose to put on puppet plays and the art committee under Shelley Raichel keep the library bulletin boards attractive with fresh displays. Connie Schneider, Laurel Stead and Alison Verwijk have been most active in display work. The Club always welcomes new members.



FLOWERS MAKE A DAY

Flowers make the night and day,
Wonderful and pleasant in every way.

They make people who argue and fight,
Be happy, pleasant, and polite.

They attract bees, who make honey,
So we can take it and make money.

They are awakened by the rays of
the sun,
Which makes them dance and play,
and have lots of fun.

To put all I feel
Into simple words.

"Flowers Make a Day!
Hip! Hip! Hurray!"

--Rhonda Armstrong

THE OCEAN

I wave and wave all day and night,
And kiss the sandy beaches.
I foam against the big hard rocks,
And go beyond man's reaches,
I splash against the beach and roar,
For I am the ocean, nothing more.

--Karen Dobko

THOSE YEARS

She sat by the window,
Her eyes full of tears,
And wondered why,
She had struggled through the years.

The thought of temptations,
The frustration that pained;
The emptiness fulfilled,
And the strength she gained.
She dried her tears,
And fell asleep,
And dreamed of those years,
That summoned quite deep.

--Dawn Singh

ALMOST

It was almost dark
In the room where we sat,
These ten people and I.

We almost
learned that the empty can speak,
For this room did that day.
It almost taught us never to doubt
What we almost heard it say.

It almost told us to live --------
in our lives
And enjoy them through
and through.
It almost taught me never to hate.
I almost learned to live!

LITERARY

S H O E S

Many people have shoes
So many cry the blues
Because their shoes are too tight and give
them corns
They break down the backs because they
have no shoe horns.

THE TELEPHONE

When I am sitting home alone,
To rescue comes the telephone.
I talk and talk and talk and then,
I put it down and dial again.

A L M O S T

I almost out-jumped my opponent,
I almost touched that ball,
I almost dribbled away with it,
But I didn't.

I almost tripped on someone's runner,
I almost didn't get up again,
I almost died there, on the floor,
But I didn't.

I almost made a foul shot,
It almost hit the rim,
I almost caught the rebound,
But I didn't.

I almost sprained my finger,
I almost got choked by someone,
I almost caught a good pass,
But I didn't.

I almost fouled our forward,
I almost ripped my shirt,
I almost made a basket,
But I didn't.

A TALL TALE

ROCKY

You hear a lot of stories about the prehistoric age, and the dinosaurs. But one thing they don't put in the science books is about the giant ants. They were the largest six-legged creatures that roamed the earth. In each colony there was a leader. He was the one who decided where the ant hills would be built. In this one particular group in North America the leader's name was Rocky. Wherever Rocky led them, they made large ant hills. They first went to North America and South America. Then they crossed the ocean and went into Europe. They didn't have to worry about drowning because the ocean wasn't as deep as it is now. Then the ice age came and the ants were killed. The glaciers and avalanches carried their bodies to the South Pole. And that's where they are now, buried under tons of snow. The only reason we can tell they were here is because their ant hills are still standing. They even have names for them. The ones in North America are called the "Rocky Mountains" after "Rocky", one of the ant leaders.

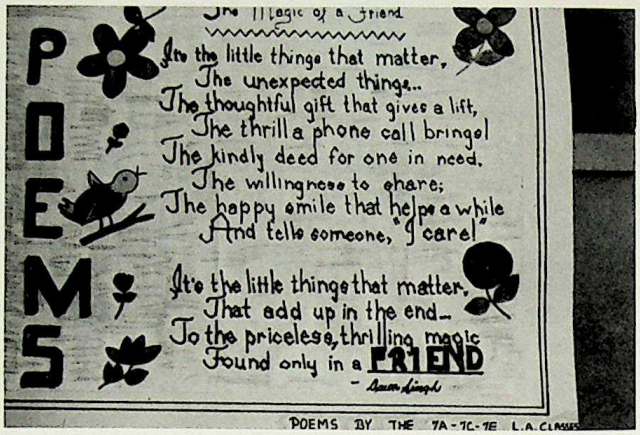
DISPLAYS



POEMS
The Magic of a Friend
It's the little things that matter,
The unexpected things...
The thoughtful gift that gives a lift,
The thrill a phone call brings!
The kindly deed for one in need,
The willingness to share;
The happy smile that helps a while
And tells someone, "I care!"
It's the little things that matter,
That add up in the end...
To the priceless, thrilling magic
Found only in a FRIEND

SENIOR GIRLS VOLLEYBALL TEAM

The girls played 40 league games this year, winning 38 and losing 2. They finished first in the Zone, defeating H. A. Gray in the city playoffs. They played Brittania in the semi-finals and defeated them in 2 out of 3 games. They played Ottewell in the finals and defeated them in the first two games. The final score was Lawton 15, Ottewell 3.

This year's team seems to be keeping up the tradition of winning the City Volleyball Championship. They have taken the trophy three years in a row. Congratulations to the team.

JUNIOR GIRLS VOLLEYBALL TEAM

The Junior girls played 14 games and won them all. This team has great potential for another championship next year.

SENIOR GIRLS BASKETBALL TEAM

This team played 10 league games, won 7, and lost 3. They finished third in the Zone, behind Killarney and Balwin.

The top scorers for the season were Deb Duncan and Fran Ongurian. We had a good team this year, but so did several other schools.

JUNIOR GIRLS BASKETBALL TEAM

The girls played two games against McCauley and won both by a large difference. This team, like the Junior Volleyball team, has great potential for next year. The girls on both junior teams have worked hard, and have played very well.

GIRLS HOUSELEAGUES

These girls have been very successful this year, due to the efforts and organization of the executive and council. These 15 students, under the co-ordination of Bev McCormack, have done a very good job of setting up activities during the noon hours.

The overall standings to date indicate these houses to be in first place: Grade 7 - House 3; Grade 8 - House 4; Grade 9 - House 3.

OFFICIALS' CLUB

This Club has provided volleyball and basketball officials for the teams and for houseleagues this year. Under the direction of the team managers, the girls learned all aspects of officiating in these activities. Thank you to the team managers for their efforts.

GIRLS GYMNASTICS CLUB

The Girls Gymastics Club began just before Easter for the purpose of providing extra time for the girls to practise gymnastics; to allow an opportunity for the girls to learn more difficult skills; and to provide practise for those who will be taking part in the gymnastics display at the end of April.

Any girl, Grade 7, 8, or 9, is welcome to come.

TRACK CLUB

The Track Club will begin in May, in order to provide the same opportunities as the Gymnastics Club.

GRADE IX P. E. LEADERSHIP ELECTIVE

Thirty-nine students are enrolled in the Physical Education leadership experimental elective class.

In this class, the students learn to teach, organize and perfect skills in volleyball, basketball, gymnastics and other regular class activities. Other activities are: swimming, handball, bowling, badminton and continental handball.

From the students' point of view, this new program has been quite a success.

BOYS' SPORTS 1969 - 1970

Teacher and Coach Mr. R. Gauf

BOYS SOCCER

The boys played a total of 8 games this year. Their record was 5 wins, 2 losses, and 1 tie. They finished first in the league and won the Zone playoffs by defeating Balwin 3 - 0, thus advancing to the city semi-finals. This was the first time that a Lawton Boys' team ever reached the City Semi-finals. Unfortunately, they lost to Westmount (3 - 2) at leading scorer was Kam Chan.

BOYS VOLLEYBALL

The Volleyball team played a total of 47 games, winning 37 and losing 10. Seven of the 10 losses were during exhibition play. The team finished first in the league on the strength of 20 wins and 2 losses. In the Zone finals they defeated H. A. Gray 3 games straight in the best of 5 competition. This was the second Zone Championship of the year and advanced the boys into the city semi-finals. Britannia were the defending city champs of the previous three seasons and they provided the opposition for Lawton in the City Semi-finals. Lawton won 15 - 7, lost 15 - 12, and won the best of a three affair with a 15 - 12 win thus putting the boys in the City finals for the first time in History. The boys defeated Donna 2 games straight by scores of 15 - 9 and 15 - 7 to become the Edmonton Public School Champions for '69 - '70. A special thanks to the many teachers and spectators who attended the playoffs.

BOYS BASKETBALL

The basketball season consisted of a total of 15 games. The team won 12 and lost 3. The first 2 losses occurred in the pre-season tournament finals and the last loss was in the Zone Semi-finals. This loss at the hands of Balwin (34-24) eliminated Lawton and erased the opportunity for a third Zone championship in one year. The team won the league with a perfect record of 8 wins and no losses and should be congratulated for this achievement. The leading scorers were Wayne Danyluk (133 points), Kam Chan (115 points) and Harry Cernes (83 points).
